

## CALL FOR BOOK CHAPTERS

### **Applications in Reliability and Statistical Computing**

I am currently editing a book titled **Applications in Reliability and Statistical Computing** to be published by Springer, 2022.

#### Proposed Book Timetable:

June 2021:	Chapter submission from authors for review
August 2021:	Feedback to authors based on reviewer's reports
September 2021:	Final revised versions
Spring 2022:	Publication

If you would like to contribute a chapter for inclusion in this book, based on your recent papers published in the ISSAT International Conference Proceedings, you can contact me at [hopham@soe.rutgers.com](mailto:hopham@soe.rutgers.com)
